Wisper, ISP Inc. is excited to announce new coverage in Hill City

Belleville - Wisper ISP, Inc. is a Wireless Internet Service Provider whose dedicated, local staff has over 150 years combined experience. Established in 2003, Wisper's headquarters are located in Belleville, Illinois in an old renovated barn, and gains an average of five new customers a day. We provide service to both metropolitan and rural customers, "connecting you when others can't." Wisper prides itself on its superb customer service and 99.9% up-time.

When you choose Wisper, you will connect for less. We offer a variety of services and packages for businesses and homes that offer unlimited Internet starting at \$39.99 a month and unlimited phone as low as \$20 a month. In addition, we are also an authorized Dish TV retailer for Dish Network Satellite Television. We pride in that fact that our package pricing will have no hidden fees or taxes.

"This is a huge opportunity for Wisper, says Wisper CEO, Nathan Stooke, we love to provide people with high-speed Internet and quality customer service. Our passion and dedication for customer service sets us apart from other providers, and we look forward to serving you."
