Wisper ISP, Inc. Acquires Troy, MO Internet Provider, Thunderbolt Broadband

Belleville, IL (June 1, 2015) – Wisper ISP, Inc. purchased Missouri Internet provider, Thunderbolt Broadband, and added over 85 customers to the Wisper Family. Thunderbolt Broadband is comprised of customers in the Lincoln County area and allows ample opportunity for future growth.

Located in the St. Louis Metro East area, our dedicated, local staff has more than 150 years combined experience. Our passion for customer service sets us apart from other providers, and we look forward to serving the area. "This is a huge opportunity for Wisper," says Wisper ISP CEO, Nathan Stooke. "We love to provide people with high-speed Internet. We look forward to upgrading the network, expanding coverage and providing super-fast speeds in the Lincoln County areas."

Wisper is a local Internet service provider serving residential and business customers in both rural and metropolitan communities - connecting communities. Wisper offers Internet, VoIP, and a variety of custom solutions. Recently named one of The Top 20 Small Businesses in St. Louis by Small Business Monthly in 2014, Wisper prides itself on its superb 96% customer satisfaction rating.
