**Local Internet Company Wisper ISP Announces Affordable
Fiber Gigabit Connections In The Metropolitan Square Building**

Belleville, IL – Wisper ISP, Inc. now offers gigabit packages to the Metropolitan Square Building in downtown St. Louis. Fiber connections will allow speeds up to 1 gigabit per second starting at \$299 per month. With up to a gigabit of speed, you'll experience speeds ten times faster than your average cable provider.

"We are very excited to bring this service to the Metropolitan Square Building and its tenants," says Wisper CEO, Nathan Stooke, "to my knowledge this will be the first gigabit building in St Louis." Recently, Wisper was named one of St. Louis' Top 20 Small Businesses 2014 by *St. Louis Small Business Monthly*, an award presented yearly by the magazine.

Wisper is an Internet Service Provider whose dedicated, local staff has over 150 years combined experience. Established in 2003, Wisper's headquarters are located in Belleville, Illinois. Wisper prides itself on its superb 96% customer service rating and 99.99% up-time. For more information about Wisper ISP and our services please visit www.wisperisp.com or "like" us on Facebook.
